Please give this completed form to your employer

This form is to provide your details to your employer if you are:

- starting new employment
- an existing employee and want to opt into KiwiSaver
- a KiwiSaver member and want to change your contribution rate.

Starting new employment

If you're not already a KiwiSaver member, you will be automatically enrolled and your employer will begin making KiwiSaver deductions from your first payment of salary or wages. However, you can opt out at any time on or after day 14 and on or before day 56 of starting new employment - see your KiwiSaver information pack for details.

Existing employees who want to become KiwiSaver members

You can enrol in KiwiSaver by completing this form and giving it to your employer. Your employer will determine if you are eligible and then send your information to Inland Revenue and start making KiwiSaver deductions for you.

Note: If you opt in, you cannot opt out. We suggest you get financial advice before deciding to opt into KiwiSaver.

Existing KiwiSaver member

If you are already a member, your employer should begin making KiwiSaver deductions for you unless you show them a savings suspension notice. To ensure deductions start it is recommended that you provide a KS2 form to your new employer and to request confirmation the form has been received. You'll find more information in your KiwiSaver information pack or go to ird.govt.nz/kiwisaver

Contribution rate

KiwiSaver contributions will be deducted from each payment of your salary or wages. You may choose a contribution rate of 3%, 4%, 6%, 8% or 10%. If you don't choose a rate, the default rate of 3% applies. If you want to contribute more you can make voluntary contributions directly to your scheme provider.

If you want to change your contribution rate, complete sections B and C of this form and give it to your employer.
